Overview

Control Panel

Function of the buttons

- **START** Save change or run a test rotation
- **SET** Select Clock, Meal and Schedule
- **+/-** Modify parameters after **SET** button, review schedule
- **PLAY/REC** Play audio or hold for 3 seconds to record

Programming

Set the Clock

Press the **SET** button until you see the clock is blinking. Press **+/-** button to change the clock. Press **START** button to save the change.

Plan your feeding schedule

Meal	1	2	3	4	5	6
Schedule						

Set Feeding Schedule

Press the **SET** button until you see the Schedule window is blinking. Press **+/-** button to change the time. Press **SET** again to set the 2nd meal, minimum of 30 minutes between meals. You can set up to 6 meals in one day. Press **START** button to save the change. The feeding schedule will repeat every day until you change it or turn it off.

For feeding only 1 meal a day, you can use the feeder for six consecutive days like this

Meal	1	2	3	4	5	6
Schedule	7:00	OFF	OFF	OFF	OFF	OFF

For feeding 2 meals a day, you can use the feeder for three consecutive days like this

Meal	1	2	3	4	5	6
Schedule	7:00	17:00	OFF	OFF	OFF	OFF

For feeding 3 meals a day, you can use the feeder for two consecutive days like this

Meal	1	2	3	4	5	6
Schedule	7:00	12:00	18:00	OFF	OFF	OFF

You can use the **+/-** button to review the schedule after you finish the setting.

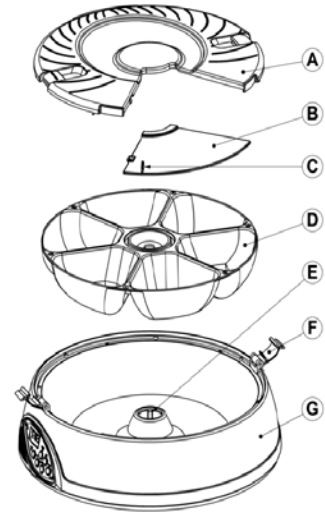

Record Personal Voice

Press **PLAY/REC** and hold for 3 second, you will be able to record your personal voice for up to 10 seconds.

Press **PLAY** button to review the recoding. It will play automatically when feeding schedule arrives.

Add Pet Food to the Tray

1. Open the **LOCK (F)** , remove **LID (A)** and **SLIDE COVER (B)**.
2. Add food to the **FEEDER TRAY (D)** compartments 1-6.
DO NOT OVERFILL. Each compartment holds up to 1 cup of food, if it's too full, the feeder may jam or become damaged.
3. Replace the **SLIDE COVER (B)** and the **LID (A)**.
4. Attach the **LOCK (F)**.
5. Make Sure the **SLIDE COVER (B)** locks into the position with the **LID (A)**.

NOTE: If you want only 1 feeding, fill **TRAY 1**, if you want 2 feedings, fill **TRAY 1 & 2**; if you want 3 feedings, fill **TRAY 1, 2 and 3**, and so on...

Cleaning and Care

- When the food tray gets dirty, you can disassemble the **LID, SLIDE COVER** and **FOOD TRAY**, and remove them from the **FEEDER BASE**.
- Clean the **LID, SLIDE COVER** and **FOOD TRAY** in warm soapy water.
- Wash by hand only. Dishwasher may damage the parts.
- Replace batteries when the **Low Battery Indicator** blinks.
- **Tips on training your pets.** Some pets may require an adjustment period to get used to their feeder. These things can help.
 - Place the feeder next to your pet's existing bowl or feeder.
 - Place food in the tray.
 - Keep food in the old bowl or feeder.
 - After an adjustment time, when you notice your pet eating from the new feeder, quietly remove the old one.

Limited Manufacturer Warranty

QPETS warrants its goods to be free from defect in material and/or workmanship under normal use and service for a period of 6 months from the date of purchase. This warranty is solely for the benefit of the original purchaser. Keep your dated sales receipt as proof of purchase.

Warranty Covers

- Replacement of defective parts and labor

Warranty Does Not Cover

- Damage caused by abuse or failure to perform normal maintenance
- Any other expense including shipping
- This warranty shall not apply to any defect malfunction or failure to conform to the warranty provisions if caused by damage (not resulting from defect or malfunction) due to unreasonable use by the purchaser.

How to apply for the warranty

- Call or Email **Customer Support Center** to get your RMA Number for processing your warranty
- Provide your proof of purchase
- Return the defective product or parts to our RMA Department
